## Map of the location

## Hotels recommended

**Please book your hotel directly.**

There is no block reservation for hotels, as the CNR buildings are not downtown and there are no hotels in walking distance.

We suggest you to find a hotel downtown and then take the bus Nr. 87 close to Stazione Centrale - Via dei Mille - Corso Matteotti; or Nr. 11 downtown, in this case the last stop available is "Rotonda Gobetti" and then you have to walk about 600 m to reach the CNR.

A list of suggested hotels can be found here: <http://www.bo.cnr.it/congressi/alberghi-eng.html> some of them have with special prices for INGV/CMCC guests. Some of them are listed here below.

## Eating out: suggestions

Bologna "La Grassa" deserves a proper dinner with "local" dishes

- **Trattoria Serra** via Serra 9b - Highly recommended but to reserve with large advance (Phone 0039 051 6312330)
- **Trattoria Broccaindosso** Via Broccaindosso 7A - famous for starters and cakes but also traditional pasta (Phone 0039 051 234153)
- **Mercato delle Erbe** via Ugo Bassi 23-25, very nice covered market to have a drink before dinner and some food, and an aperitivo, with nice restaurants for dinner, like ALTRO? inside the market, Pescheria San Gervasio <http://www.pescheriasangervasio.it> <http://www.bolognawelcome.com/en/home/live/shopping/store-categories/markets/mercato-delle-erbe>
- **Osteria Bottega** - via Santa Caterina 51 (Phone 0039 051 585111)
- **Trattoria CASA MIA** - Via Saragozza 91 (phone 0039051 644 7760) close to the "hike" to reach Santuario di San Luca, an arcade with more than 600 vaults - unique for its length covering almost 4 kilometres connects the shrine with the town and provide a shelter for the procession which every year since 1433 has brought the Byzantine Madonna with Child to the cathedral downtown during the Ascension week - <http://www.bolognawelcome.com/en/home/discover/places/architecture-and-monuments/religious-places/sanctuary-of-san-luca>
