Hotels recommended

We could not have a block reservation for the hotels.

CNR is not downtown so it is not possible to have hotels at walking distance.

The suggestion is to look at a hotel downtown and then take the bus (number 87 close to Stazione Centrale - Via dei Mille - Corso Matteotti; or number 11 downtown, in this case the last stop available is "Rotonda Gobetti" and then you have to walk about 600 m to reach the CNR).
